Crompton
Lighting

Made to perform

A pressure die cast aluminium housing hosting integrated, UV stabilized, non yellowing type lens. With construction enabling an excellent heat dissipation for better impact resistance, this is a luminaire that stands the test of time.

Aplomado Pro+

HIGH WATTAGE NHAI STREETLIGHT

200W/ 220W/
250W/ 270W

Aplomado Pro+

HIGH WATTAGE NHAI STREETLIGHT

Efficient heat management for improved luminaire life

Lower total cost of ownership with improved pole to pole spacing

Sleek aerodynamic design with lower EPA ratings

Improved optical efficiency with more light on relevant areas

Top maintainable driver compartment for easy service and maintenance

Trouble free, extended life with BIS for electrical safety

CRI 70

RATED VOLTAGE 240

CCT 5700

Crompton Lighting
