## NOTE

Follow the loom manual instructions for basic instructions to set up the loom, how to cast on and bind off, to change color and how to work in single knitting.

## STEP 1–SCARF

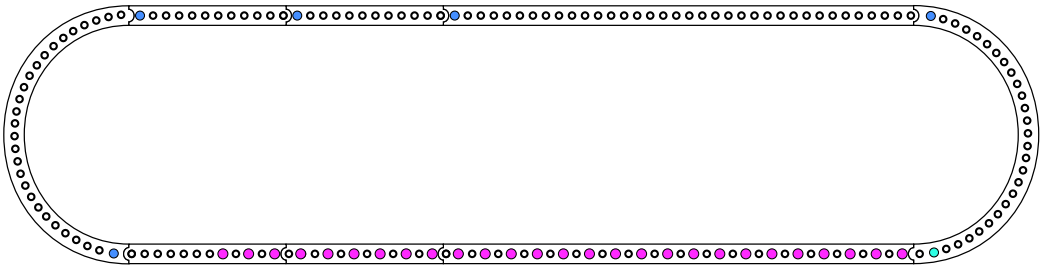
You'll need these loom pieces – (2) 36-hole pieces, (4) 12-hole pieces, and (2) 28-hole Semi Circle pieces – to make either the Scarf or the Hat.

Lay out the pieces to make an oval: 36-hole piece > 12-hole piece > 12-hole piece > 28-hole Semi-Circle piece > 12-hole piece > 12-hole piece > 36-hole piece > 28-hole Semi-Circle piece. Use small pegs to hold the loom pieces together.

## STEP 2

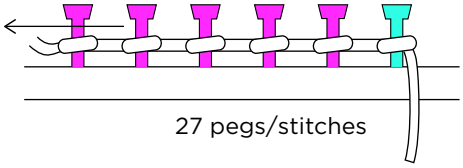
Place 27 large pegs in every other hole across one long side of the loom.

Place 1 small peg to the right of the first large peg – the small peg is to hold the slip knot.



## STEP 3

With A, cast on 27 stitches.



## STEP 4

**Row 1:** Skip the first peg, *purl 1, knit 1; repeat from * to end of row.
Repeat Row 1 a total of 35 times.

Change to B and repeat Row 1 for 36 rows.
Continue in this same way to work 36 rows each with C, D, A, B and C.
Bind off.

Finish by threading each of the yarn ends into yarn needle and weaving the ends into the Scarf.

## STEP 1–HAT

Set up the loom just as in Step 1 of the Scarf.

## STEP 2

Start at the right hand end of the semi-circle piece and place 58 large pegs in every other hole. Place 1 small peg to the right of the first large peg – the small peg is to hold the slip knot.

## STEP 3

With D, cast on 58 stitches.
