Me mātua taka mai ngā kōrero ka whakaurua ki tēnei rēhita i te Tiwhikete Ārainga Mate a te tamaiti. Kei ngā mātua/kaitiaki o tēnā, o tēnā tamaiti te mana ki te tirotiro i ngā kōrero mōna. Me mātua whakatika anō hoki ngā whakaaturanga hē. Kia puritia te rēhita nei ki tētahi wāhi haumaru kia kore ai e raweketia, kia noho matatapu anō hoki ngā whakaaturanga. Ki te tau tētahi mate ki te kura, ki te hapori rānei, tērā ka whakamahia te rēhita hei tautuhi i ngā tamariki kāore i whāngaia ki ngā rongoā ārai atu i taua mate.
