Phonics Wreath Directions

1. Decide if you want to edit the craft or have students write on the craft.
 1. Edit: Use the EDITABLE PowerPoint file to edit the phonics skills. Print the pages.
 2. Write: Print this PDF file.
2. Follow the paper and copy directions at the top of each page after printing.
3. Students cut out the wreath, bow, and ornaments.
 1. Write: Students write the phonics target skill in the middle of the wreath. Students write a word with the target skill on each ornament.
4. Students write their name on the bow. Glue the bow into the bottom of the wreath.
5. Students glue the ornaments on the rest of the wreath.
6. Optional: Glue the finished wreath onto construction paper for an added pop of color!
