NIB310 COMMERCIAL ICE STORAGE BIN, 310LB, 22 IN WIDE

FEATURES & BENEFITS

High-capacity insulated storage bin: Stores up to 140.6 kg (310 lb) of ice for reliable ice availability in a compact 22 in footprint

Durable stainless steel exterior: Resists corrosion, scratches, and daily wear for long-lasting use

Thick insulated storage bin walls help reduce ice melt and minimize ice machine run time needed to maintain bin ice levels

Thick insulated stainless steel door: Minimizes ice melt, maintains quality, and stays fully open when raised for easy access

Interior LED lighting supports easier viewing in low-light environments while enhancing overall presentation when installed with a matching NORIOTA modular ice machine

Sanitary polyethylene liner: Enhances hygiene, reduces contamination risk, and simplifies routine cleaning

Adjustable leveling legs (15.2 cm / 6 in): Provides stable installation on uneven floors and easy access for cleaning underneath

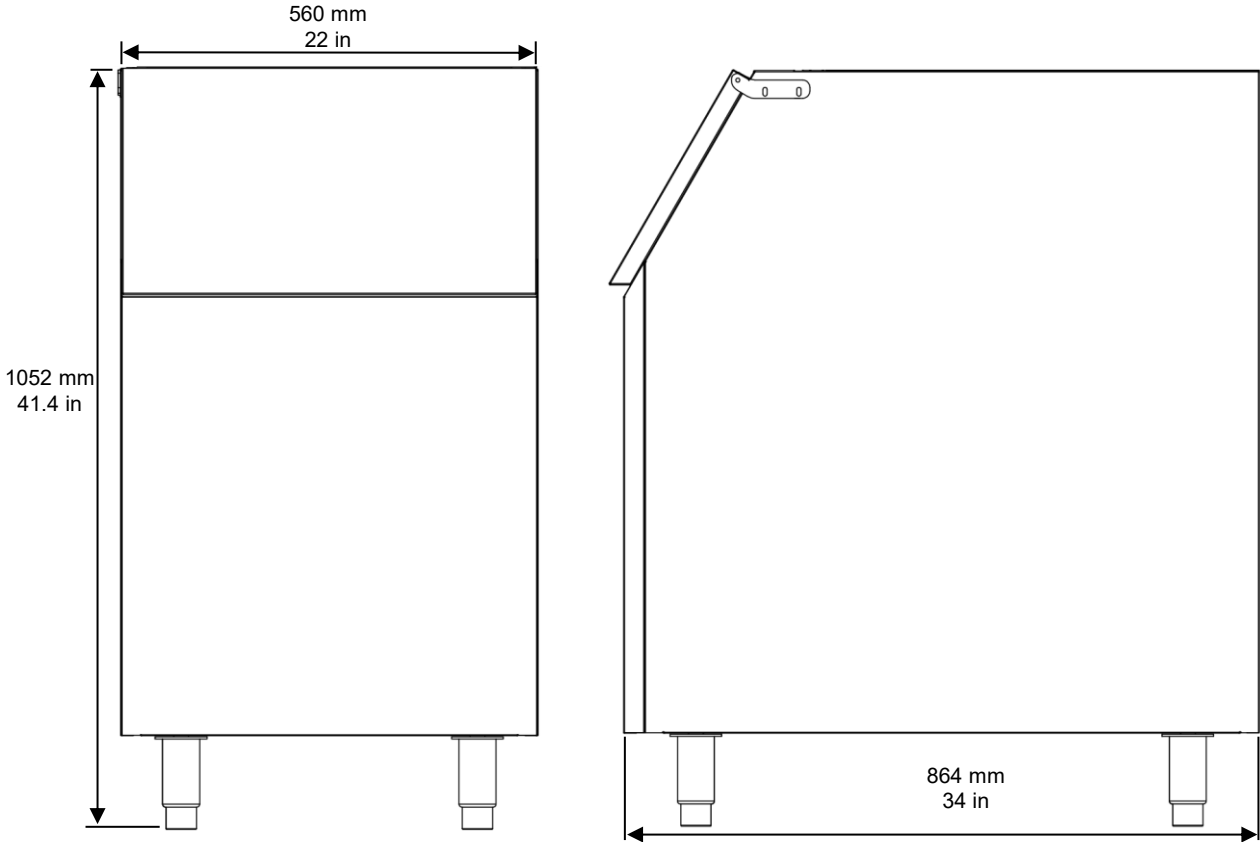

Bin-head compatibility: Designed for seamless and secure integration with NORIOTA 22 in modular ice machines
