# AUTO BLENDER

## CB1000 & CB980 FEATURES

- 01 Safety Sensor**  
Detects if the container is securely on the base

- 02 Asymmetrical container base**  
Helps creating superfine consistency

- 03 Quick Start Button**  
World's 1st one-touch fully automatic system

- 04 Sound proof**  
Enclosure drastically reduces the noise when blending

## Automatic Sound Enclosure

Automatic sound enclosure opens/closes with the push of a button for a convenient and time-saving process. Soundproof enclosure creates a minimum-noise environment.

\*CB1000 model ONLY

## Built-in Vacuum Technology

Air is removed before blending, delivering drinks that last longer, contain less foam and separation.  
\*Provides 1.5~2.4 times more antioxidants than non-vacuumed blends.  
(CB980 model is not applicable.)

\*CB980 model ONLY

## 6 pre-set buttons

35 recipe settings are pre-programmed, 5 recipe settings are customizable using the 6 pre-set buttons.  
(CB1000: 5 pre-set buttons setting.)
