BACKGROUND

Georg Heidenreich was ordained as a pastor in Hanover in 1866 in the presence of George V and the royal family, where Martin Luther, father of the Reformation, was ordained in 1507. Georg married Anna Meyer, and arrived at Port Adelaide later that year. Their new home for the next 44 years was the Manse in Bethany in the Barossa Valley. Subsequent generations settled in nearby Vine Vale on the deep sands of the North Para River and planted the now 80-year-old bush-vine grenache, which thrives in this environment producing exemplary delicious fragrance, elegance and lithe tannins.

VINTAGE DESCRIPTION

Average winter rainfall was followed by minor frost events late in September and spring rains in early October. Budburst was even with good fruitfulness although heat bursts in late November affected fruit set. Strong winds in early December caused some damage to the canopies but the fruit remained disease free. January was mild and dry with a short heat wave late in the month at veraison, followed by rainfall in early February. The lead up to vintage and conditions during ripening remained cool, cloudy but dry. The fruit showing balanced acidity, excellent colour and great flavour development.

CELLARING POTENTIAL
