IC Lights S1

Designed by Michael Anastassiades, 2014

Halogen - 60W

Suspension lamp emitting diffused light. Features a metal frame available in brushed and transparent varnished brass, chrome-plated steel or black, with a blown opal glass diffuser.

Part of the IC Lights series by Michael Anastassiades, a collection that explores balance, movement and identity through minimal, poetic forms. Designed in 2014, the series was inspired by the dexterity of a contact juggler and the visual tension of a sphere poised in perfect equilibrium. Like the other pieces in the IC Light Series, this lamp balances designer Anastassiades' love of industrial simplicity with intricate symbolism.
