

POSE SURFACE LED

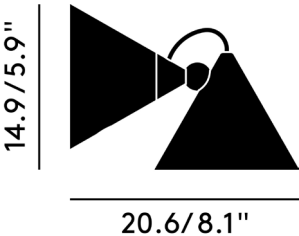

OFF

ON

POSE is a series of high output lamps based on conical forms that playfully explores the world of optical physics, through the world of flat lenses -often seen in lighthouses, traffic lights and in scientific instruments. With anthropomorphic charm, POSE manipulates light into focused, magnified beams with striking effect. A strong silhouette and touch of humour define its personality, while precise adjustability and high light output ensures adaptability and functionality for any space—domestic or contract. Balancing functionality with minimal design, POSE radiates light and individuality with equal brilliance

Year of Design	2024
Product Weight	1.20 lb
Finishing Process	Powder coated, Plated
Surface Mount Shape/Diameter	Cone, 5.16in
Light Source	6W LED
Max Wattage	7.5W
Lightsources Lumens	800
CRI	>90
Colour Temperature	2700K
Dimmability	Touch Dimmable
Voltage	100-120V
Environment	IndoorDry Location
Spares	LEDRING11Y; LEDDRIVER01UL; MACAP01CH
Certification/Electrical Class	T24

KELP

Code	POS01KEUL
Shade Material	Polycarbonate
Shade Colour/Finish	Kelp, Gloss
Fitting Material	Polycarbonate
Fitting Colour/Finish	Kelp, Gloss
Service Offer	NEW

PUTTY

Code	POS01PUUL
Shade Material	Polycarbonate
Shade Colour/Finish	Putty, Gloss
Fitting Material	Polycarbonate
Fitting Colour/Finish	Putty, Gloss
Service Offer	NEW

SILVER

Code	POS01SSUL
Shade Material	ABS Plastic
Shade Colour/Finish	Silver, Polished
Fitting Material	ABS Plastic
Fitting Colour/Finish	Silver, Polished
Service Offer	NEW
