Assembly Guide

UNION SERIES | SIDE & COFFEE TABLE
Designed by Michael Antrobus

FRAMA

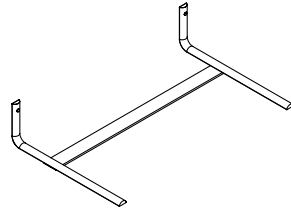

The Union Series exemplifies industrial precision, using semi-circular aluminum profiles to create a clear, architectural structure. Material elements like wood and canvas create versatile depth to complement any interior.

SIDE & COFFEE TABLE

- Care & Maintenance Guide -

In order to preserve your new FRAMA pieces for years to come, we've produced a guide on the materials we use and how to best care for them. Following these instructions will help to maintain the appearance and quality of your items after repeated use and cleaning.

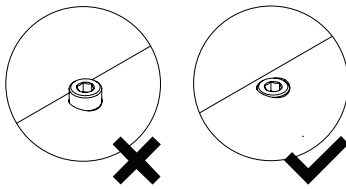

For material care and maintenance instructions, scan the QR code using your mobile device.

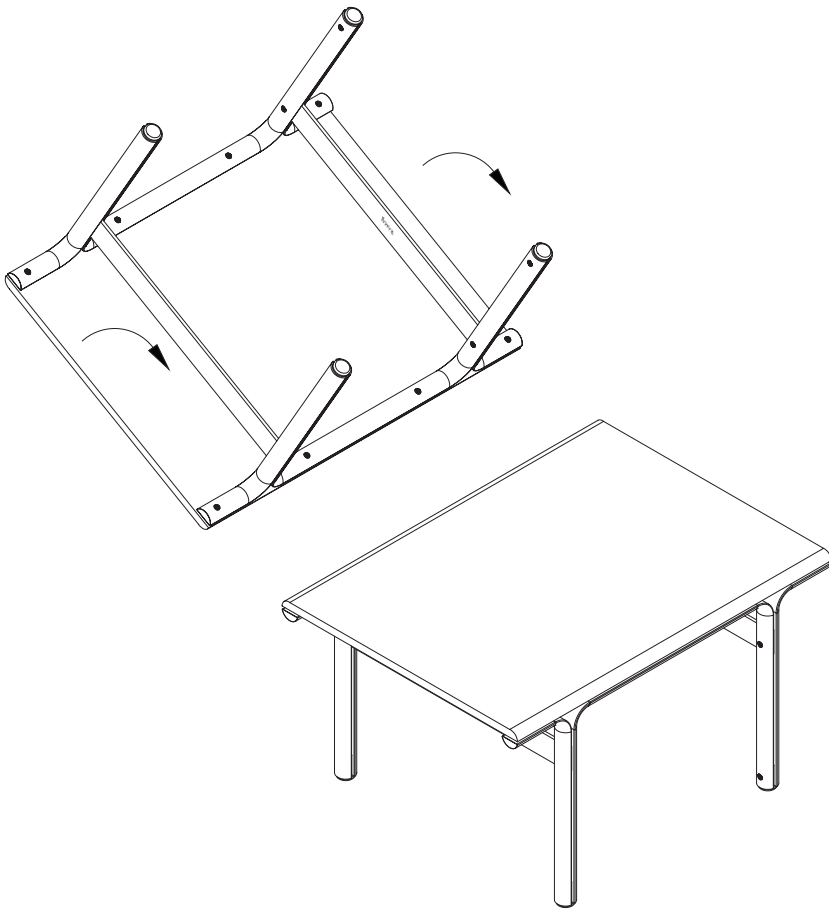

Access the guide on your desktop at
framaph.com/pages/material-care-guide

3.

Use the Allen key (G) to firmly tighten all screws (F), securing the components in place.

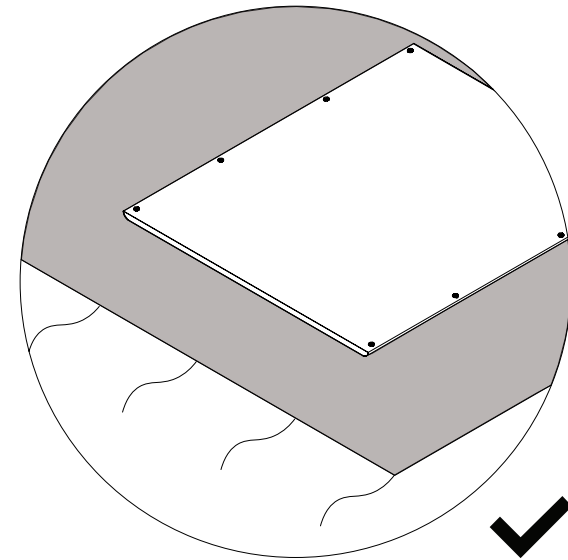

Place the assembled table upright.

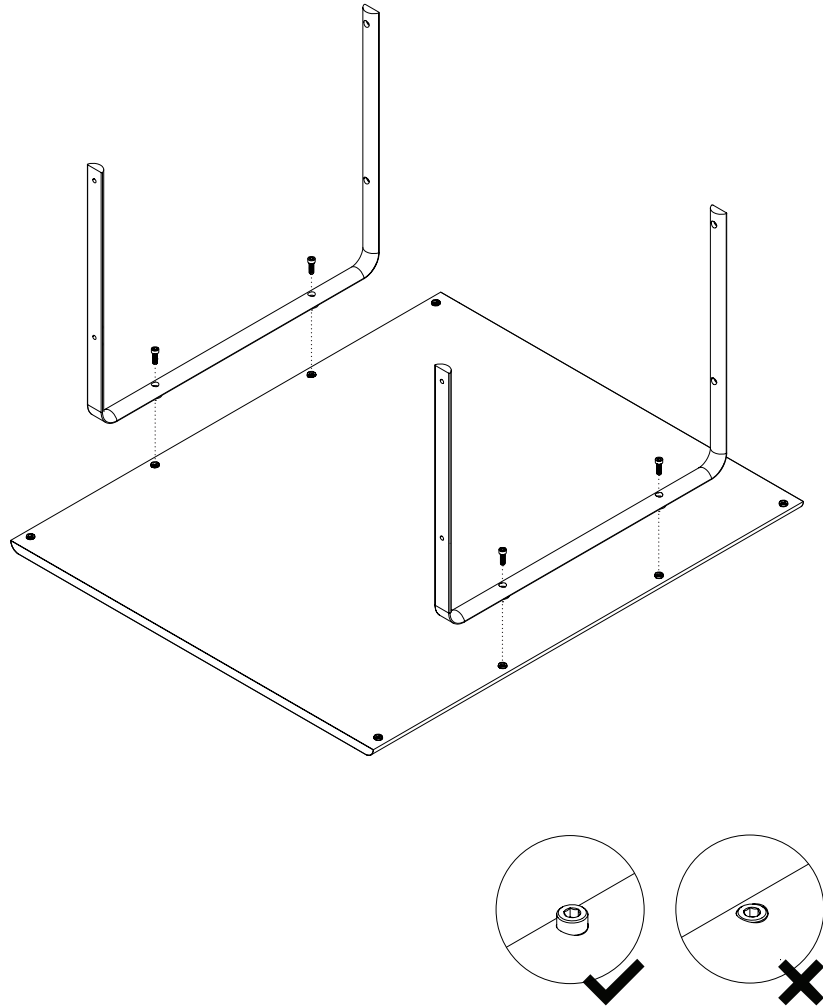

- WARNING -

Lay the tabletop on a carpet or other protective surface to avoid scratches and other damage.

1.

Position central legs (C) on Table top (A) and insert the screws (F) through the aligned parts.

Don't tighten screws fully, in order to ease initial assembly process.

2.

Insert the glides (E) to the front and back legs with crossbar (B). Position the assembly (B + E) on Table top (A), then insert and tighten the screws (F) between Front/back leg with crossbar (B) and Central leg (C), as well as between Front/back leg with crossbar (B) and Table top (A).
