- A modular bench that can be customised in different layouts such as circles, waves or arcs
- A configuration of minimum two benches are required
- Designed in colour and form to integrate effortlessly into a natural landscape
- The Palissade collection features a weatherproof outdoor powder coating
- Suitable for a wide variety of private and public environments

PALISSADE PARK DINING BENCH DESIGN BY RONAN & ERWAN BOUROULLEC

Designed by French duo Ronan and Erwan Bouroullec, the Palissade Park Dining Bench is a modular bench designed for outdoor use. The curved frame comes in two variants, which are designed to curve in two different directions, enabling the benches to be inward facing, outward facing, or a combination of the two. When connecting a minimum of two benches, customised seating arrangements can be created in layouts such as circles, waves and arcs. The elegant design is united by the same symmetrical geometry and graphic idiom as the rest of the Palissade series, engineered to reproduce the same visual simplicity that allows it to integrate effortlessly into a natural landscape or urban setting. Specifically designed for outdoor use, the powder-coated steel has a protective outdoor primer for optimal durability and resilience, which makes it last for a longer period of time. Available in selected colours, the Park Dining Bench is ideal for creating unique seating configurations in gardens, parks and public spaces.

Ronan & Erwan Bouroullec the Paris-based design brothers from Brittany have been working together since 1998. They have transformed the design industry and offered new perspectives of materiality and purpose. For HAY, they have designed the Palissade Collection, Copenhagen Collection, Can Sofa, Élémentaire Chair, Passerelle Table and Pier System.

CONFIGURATIONS

Combining multiple benches together gives users the opportunity to extend the available seating space and form unique configurations to suit specific functional and aesthetic requirements.

A minimum of two Park Dining Benches provides a starting point for customising different configurations.

The Park Dining Benches are connected with enclosed screws.

Palissade Park Dining benches can be customised in many different lay-outs such as circles, waves or arcs.

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC™-certified wood (FSC-C148805), and bio-based foam that helps lower our products’ overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.

PALISSADE PARK DINING BENCH CUSHION

Adding extra comfort and functionality to the Palissade collection, the Palissade Cushion is specially formed to fit the Palissade Park Bench and Dining Bench perfectly. The thin, slightly padded cushion features an anti-slip bottom to keep it securely in place. Crafted in Teflon-coated fabric for a water-resistant finish, the cushions are available in three colours and can be used all year round.

MATERIALS

OUTDOOR FABRIC
Solution-dyed Olefin with water-repellent finish

FOAM
30 mm Polyurethane foam

BACKING
Black anti-slip 100% recycled PET with biobased natural rubber coating

PALISSADE FIXATION BRACKET | SEATING

The Palissade Fixation Bracket is designed to secure the Palissade Benches to the ground, anchoring the furniture in windy weather and serving as a theft deterrent. The brackets can be used on any surface and are easy to attach to the Palissade product. They come in a set of four and are available in one colour – anthracite.

MATERIALS

FIXATION BRACKET
Powder coated stainless steel with EPDM rubber washer
