

BUTTERWORTH

Regatta Rosé 2021

VITICULTURE

From two sites on the Butterworth Julicher homeblock on Te Muna Road, this wine was made from 100% Pinot Noir. Expertly hand tended before being handpicked, the vines were earmarked to be Rosé in true European style. The grapes were selected for this wine based on flavour in three separate picks to showcase the purity of acid, good mid palate weight, and riper flavours.

WINEMAKING

Once in the winery, the Pinot Noir grapes were immediately whole clusterpressed into stainless steel to settle overnight. All the juice was racked into old French Oak barrels and fermented long and slow until dryness in a European style. The wine was left in barrel to mature for 6 Months before being racked to Stainless Steel. The wine received no finings and a gentle filtration before bottling.

- Colour:** Bright luminous pink
- Aroma:** Lifted strawberry, navel orange, and freshly sliced watermelon notes jump from the glass, with hints of vanilla bean custard and cream.
- Palate:** Glycerol richness from the time in barrel is immediately evident, with the pure acid line adding another dimension to the wine. Clean lines and purity are the keys to this wine.
- Variety & clones:** 100% Pinot Noir, Abel and 115.
- Harvest date:** 5th, 9th and 17th of March, 2021
- Harvest analysis:** Brix: 20.5-21.5°Br pH: 3.23-3.28 TA: 7.13-8.40
- Wine analysis:** Alcohol: 12% pH: 3.23 TA: 7.57 RS: <3g/L
- Bottling date:** 28th September, 2023
- Allergens:** Sulphites. Vegetarian and Vegan Friendly.
