

Rest Lounge Chair

"The Rest Sofa Series brings a warm and inviting appearance to modern spaces through its deep comfort and friendly lines. With its ultra-soft cushioning and subtle details of its folded armrest and modern outline, the design brings new perspectives to the modern Scandinavian sofa for spending a whole day in."

— Anderssen & Voll

Designed by	Anderssen & Voll
About the Designer	Anderssen & Voll are two-thirds of the former Norway Says and among the most prominent and successful Norwegian designers. They have formerly been named both Norwegian and Scandinavian Designers of the Year in Norway and have received international awards and recognition for their work with furniture, lighting, and home accessories.
Environment	Indoor
Country of Production	Lithuania
Description	Rest Lounge Chair brings generous comfort into a refined lounge format. Broad armrests, a deep seat, and subtle folded details create an inviting silhouette with a soft interior feel. Available with wood, metal, or chrome bases, it offers versatile expressions while maintaining the calm, modern identity of the Rest series.
Material	The legs are made from powder-coated or chromed steel or made from FSC™-certified (FSC-CO28824) solid oak. The frame is constructed from plywood and High-Density Fiberboard (HDF) made from FSC™-certified (FSC-CO28824) wood, and is fitted with zig-zag springs, foam, and wadding. The product is upholstered in high-quality textile. The EU/US version is made with standard and high-resilience polyurethane foam. The UK version is made with standard fire-retardant polyurethane foam and combustion-modified high-resilience foam.
Cleaning & Care	For textile upholstery, stains should be gently dabbed with a lint-free cloth or sponge wrung in clean, warm water. If required, a mild solution of dish soap and water may be used, followed by clean water. For further care, it is recommended to consult the guidelines provided by the respective textile supplier, as cleaning methods may vary. The base should be cleaned with a lint-free cloth using lukewarm water. If needed, a mild detergent may be applied to the cloth. The surface should be dried with a clean, lint-free cloth after cleaning.
Additional Information	A Power Outlet including USB and USB-C charger can be added to the Rest Sofa Series. The Power Outlet is available in an EU, US and UK version. Please note that Muuto does not offer installation of the Power Outlet into any Muuto products.

All variants

Please note

All upholstered products, sold in the UK, contain flame retardant foam in order to fulfill the stringent flammability standards under the UK Furniture and Furnishings Fire Safety Regulations. The flame retardant used in the foam is melamine, CAS number: 108-78-1.
