Wheels

Test & certificates

FSC®-certified wood

Packaging dimensions

H: 10 cm

W: 62 cm

D: 63 cm

Weight

14 kg

Country of origin

Designed in Denmark, produced in Lithuania

Cleaning and maintenance

Any spills must be removed immediately using a cloth. Dust can be removed with a damp cloth. Light stains may be removed by gently rubbing in the direction of the grain with 400 grit (very fine) sandpaper and re-oiling afterwards.

Storage Chest is a 60 × 60 cm coffee table on wheels with concealed storage.

Inside is space for blankets, board games and other items you want close at hand but out of sight. The lid rests on top and slides back and forth, allowing access without removing it. Visible wheels make the chest easy to move around the room.

FSC®-certified oak veneer panels are held together by two external wire frames, available in stainless steel or black powder-coated steel.
