Create a Magical Mermaid World!

Introduction

Welcome to Mermaid Lagoon where you can create a magical mermaid world for Marina and her Dolphin friend!

Mould and sculpt the magic sand and use corals, seaweed and shells to create a beautiful 'under-the-sea' scene in the bottle. Then customise your Lagoon with your own treasures and keep-sakes to make it even more special!

Marina fits safe and snug in her clamshell home, so you can take her anywhere to play...she loves going on holiday, especially to the seaside.
