

Fit Strip™

Flexible
Interproximal finishers with a
Twist

FitStrips are a complete line of interproximal trimmers and finishers from the company that invented tight interproximal contacts, **Garrison Dental Solutions.**

One handy handle! FitStrip's simple, attachable handle makes a world of difference for both clinician ease-of-use and patient comfort.

Do the Twist! Twist the color-coded barrel to adjust FitStrips' curvature and it's automatically locked in place.

See our video online!

Starts bold - finishes clean

1. Medium grit for fast removal
2. Fine grit smooths things out
3. Super fine strips put the perfect finishing touch on things

Ready for a marathon! FitStrips are very durable and long lasting. They stay sharp and ready to go even after multiple autoclave cycles.

Garrison
Dental Solutions

Most popular! The FitStrip™ kit that started it all!
