WINE DESCRIPTION

Bright ruby with garnet hues. Vibrant aromas of raspberry, dark plum, black cherry, rhubarb, anise, with nuances of crushed herbs, nutmeg, mace and blackberry leaf. The palate has a vibrant core of red cherry, ripe plum and red berries, layered with complex, spicy notes of ginger, cedar and mocha. Abundant firm but fine tannins provide length and definition.

BACKGROUND

Named as a tribute to the early Silesian community of the Barossa, many of whom carried the first name of *Johann*. Their toil, perseverance and conservatism in hardship has meant that the many generations that followed rejoiced in the riches of their prudent efforts. This blend is just one of those blessings. The traditions and culture have survived to this day, including the traditional winemaking techniques of open-top fermentation used in this grenache blend. It is produced from low-yielding Barossa Survivor Vines, categorised by the Barossa Old Vine Charter as vines that are equal or greater than 70 years old. These gnarled, dry-grown bush and trellised vines are grown on limestone soils from selected vineyards in the Barossa Valley. Barossa growers traditionally referred to their vineyard as their 'garden', from the German *weingarten*.

VINTAGE DESCRIPTION

A traditionally wet winter, mild spring and excellent fruit set provided a great start to the 2015 vintage. Spring and summer were dry with no disease, resulting in fruit with high natural acidity and incredible flavour and colour concentration. A dry, warm and windy start to January was followed by welcome rain that coincided with the onset of veraison. Mild weather continued, which delivered a fairytale vintage.
