

TTP065MF

The 065MF represents Tilsatec's next generation of cut resistant gloves.

Providing extreme cut protection, the 065MF is one of the highest rated coated gloves on the market.

The glove maintains high levels of comfort, dexterity and breathability. In Hi-Vis orange, the 065MF is designed to be clearly visible from a distance improving workplace safety.

The black microfoam nitrile palm coating provides good all-around performance in both dry and wet environments.
