Noctis Urchin Small Cluster

Ebonised Tulip and Brass - £1250

Bold, ebonised design and our sought-after wooden aesthetic, merged. With confidence in its definitive silhouettes, The Noctis Range showcases a new focus and brings daring, darker depths to interiors.

Flexed to the brink and back. Three ebonised Noctis Urchin Pendants cascade from a sleek, spun metal top plate creating warm slithers of bright light in the dark. With an elegant, customisable design that invites personalisation, each pendant can be suspended at a different height allowing a showstopping configuration to take charge of your space.

Invite darkness into the light.
