Bonbon Shade Petit Bleu

Design by Ana Kraš

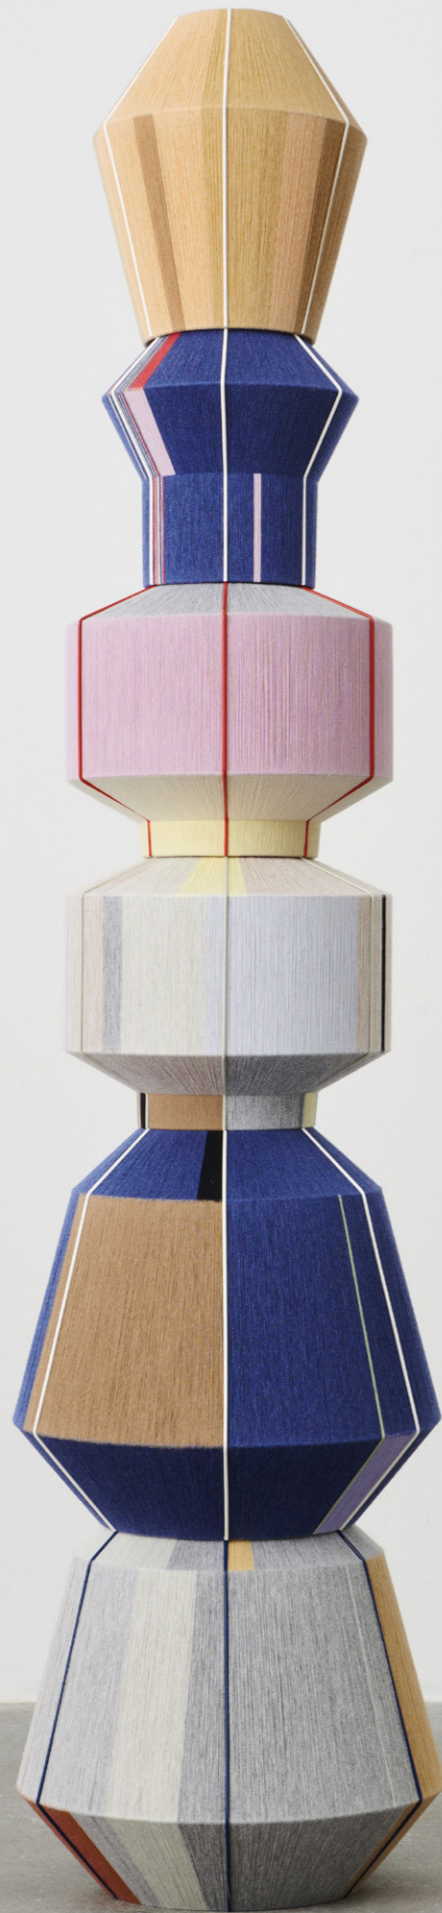

Introducing Petit Bleu, the latest addition to Ana Kraš' original and playful Bonbon Shades. Now updated in a new colour and shape, the predominantly blue yarn is interspersed with varying sections of contrast colour, echoing the same one-of-a-kind quality as the rest of the hand-woven collection. The new compact size enables the shade to be used both as a tabletop accent light and as a cluster of pendant shades, with the shade's powerful aesthetic ensuring it works both as a glowing light source and as a beautiful artistic object with the bulb switched off.
