

# Bloom Pendant

---

A joyful interpretation of nature's beauty, our Bloom Pendant is inspired by the blooming wild flowers found along our local coast path here in Falmouth, Cornwall.

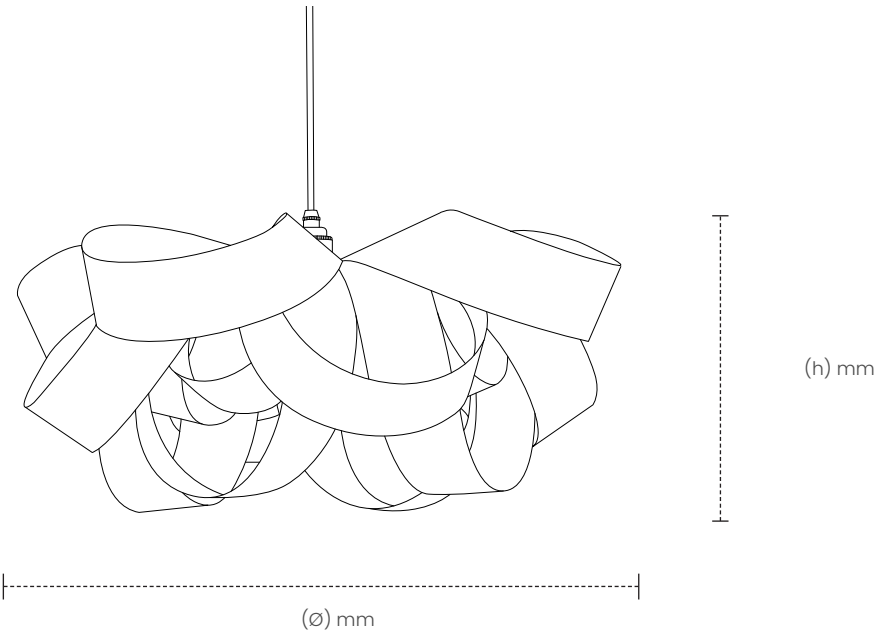

Hand curved from 16 lengths of sustainably sourced wood to provide an organic shape that emits a wonderful array of light and shadow. Creating a beautiful ornate centrepiece, this statement wooden lampshade hangs beautifully above a dining table, bed or create a welcoming radiance in your entranceway.

Curves lead the way, light with meaning.
