

# QJS Garrison MP

## Medium Pressure Hose

### Product Description

The ultimate system hose. Outlasts by far any conventional hose due to its build qualities and features.

All assemblies include stainless steel ends and heavy duty cuffs.

### Features

- Lightweight and flexible
- No steel braiding - will not rust or peel
- Tough hose cover which resists deterioration and is highly cut resistant
- Available in Blue, Red or Yellow for colour coding
- Highly cut resistant covers
- Maintains flexibility and will not crack in cold environments
