

Retractable Hose Reel

KEY FEATURES

- Stainless steel construction
- Open, hygienic design
- Cleanable inside
- Reduces trip hazards
- Increases hose life
- No manual winding - hose just retracts

The Nita retractable hose reel is a hygienic, sturdy and reliable hose storage solution. Stainless steel construction, built to withstand the rigours of the food and pharmaceutical industries.

A large capacity hose reel is built with twin springs for retracting longer lengths of hose. A swivel bracket can be supplied with this hose reel to allow it to turn through 180°.
