

KANNA PORTABLE TABLE LIGHT

Tom Raffield

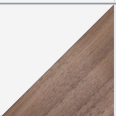

Product Specification

Rooted in minimalism, the Kanna Lighting Range radiates warmth, whilst allowing the distinctive fingerprint found in this natural material to shine. Inspired by the precision hand tool used in Japanese woodworking, the Kanna design celebrates the strength and delicacy of sustainably sourced wood.

Diffusing a warm glow into its surroundings, the elegant tier of sustainably sourced oak or walnut gently cocoons the bulb, allowing the organic wooden grain to take centre stage wherever the wireless lighting design is displayed. Portable and dimmable with a touch of a button, the conveniently cordless and rechargeable table light makes a stylish addition to reading nooks, bedside tables and coffee tables.

Infuse nature. Create harmony.

Product Type : Table Light	SKU	Wood types	Dimensions L x W x H (mm)		Weight (kg)	
			Unboxed	Boxed	Unboxed	Boxed
