light gives life... ... to the happiest memories.

Light at its softest form invites in people.
Adding warmth and depth to the space.
Opening up walls, conversing on its own.
Telling a story of life lived, shared & made.

cromdeco

A range of decorative luminaires from Crompton Professional Lighting

CromDeco is a luminaire range derived from life itself. Inspired from the very function of life sustaining light, it blends technically proficient LEDs with aesthetic luminaire housings.
