

Power Up Your Cleaning
Routine With The New Vikan

HyDrive

HyDrive

Performance. Hygiene. Efficiency.

Faster Cleaning

Reduce deep-cleaning time and speed up changeovers

Less Physical Effort

Minimise repetitive scrubbing and operator strain

Consistent Results

Achieve the same high cleaning standard every time

Built For Tough Cleaning

Very stiff bristles remove stubborn and sticky residues fast

Works in All Conditions

Effective in both wet and dry environments

Designed For Food Safety

Made from FDA / EU compliant materials

Suitable for food-contact environments

Supports hygienic zoning with 6 colour options

Durable construction for repeated deep-clean cycles

Part of the **HyDrive** System

Use the **HyDrive** adaptor to power your existing Vikan threaded brushes and extend the benefits of power-assisted cleaning across more applications.

Upgrade Your Cleaning Performance With **HyDrive**.
