

# GP1200FR

## Arc & Flame Resistant High Dexterity Glove

The GP1200FR glove is made from premium kidskin on the palm and fingertips. It also features an FR woven back with an integrated goatskin knuckle protective patch.

The GP1200FR has digitally embossed leather for increased tactility and dexterity.

A side patch is included for increased durability and has a shirred elastic wrist.

The glove is fully flame resistant and Arc Rated with an ATPV of 23 cal/cm<sup>2</sup>.
