

Window Cleaning Kit

Item Number: 99109

The Vikan Window Cleaning Kit contains the tools you need for efficient cleaning of windows, glass partitions and mirrors. The kit includes a T-Bar (47649) and Wash Fleece Sleeve (474315) that effectively loosen dirt, dust and grease, as well as a Window Squeegee (47719) that removes water from the surface, leaving the glass clean and streak-free. The included Microfibre Cloth (691138) is ideal for wiping edges and final polishing to achieve a clean finish. With ergonomic, user-friendly tools combined in one kit, you get a practical solution for professional window cleaning and excellent results with minimal effort.

General Information

Material	Polypropylene (regenerated material), 80% Polyester, 20% Polyamide (100% Microfibre)
Country of Origin	Denmark

Product Dimensions

Net Weight	0.474 kg
------------	----------

Packaging & Shipping Details
