Noctis Hanter Table Light

Bold, ebonised design and our sought-after wooden aesthetic, merged. With confidence in its definitive silhouettes, The Noctis Range showcases a new focus and brings daring, darker depths to interiors.

Modern. Refined. Enticing. An arching curve of steam bent, black ebonised oak arches from its roots to showcase an exposed bulb which casts a boundless glow. Use the statement Noctis Hanter Table Light to restore calm within bustling kitchens, hallways or living spaces. Radiating light in all directions, the wooden table lamp blends an inviting ambience with a sharp design aesthetic.

Invite darkness into the light.
