

Beta Plain Tunic

Code:DD64

Our Beta Plain Tunic is a concealed zip front tunic with two deep hip pockets and action back. The stylish neckline will give a point of difference in the beauty and healthcare sectors.

Our Beta Plain Tunic is made with Cool Comfort, which rates as one of the ultimate materials for healthcare personnel. Cool comfort provides body moisture control and aids circulation, to keep you cool and comfortable while you're on the move. The fabric weight is heavy enough to ensure the garment is hard wearing, while the houndstooth finish makes the fabric resistant to pilling and enhances breathability. Garments can be machine washed and tumble dried, and they dry fast.
