URBAN SKIN RX EVEN TONE CLEANSING BAR

DAILY CLEANSING BAR

Kojic and azelaic acids in this solid bar cleanser gently exfoliates and brightens my skin every morning. It comes with a konjac like sponge for easy application, and has also helped clear my bikini line!

URBAN SKIN RX CLARIFYING GLY/SAL PADS

ACNE FIGHTING PADS

I spread these thin pads over my problem areas (cheeks and forehead) daily to prevent and treat breakouts. It contains just enough salicylic acid to do the job, but not so much that it dries out my skin.

MOISTURIZER + SPF

Not using SPF daily was probably my 2nd biggest skincare mistake (after not washing my face 2x a day)! This one is slightly mattifying, making it the perfect primer for makeup application.
