

Product Description

Interstar Concrete and Granite Countertop Cleaner is a nontoxic, nonabrasive, environmentally-friendly cleaner that will not damage the protective sealer on your countertop. It is safe enough for daily use on food preparation surfaces, yet strong enough to get rid of hard-to-remove stains.

Primary Application(s)

- Cleaning concrete and granite countertops
- General cleaning

Benefits

- Non-abrasive
- Non-toxic
- Environmentally friendly
- Solvent-free
- Biodegradable
- Safe for everyday use
- Fresh scent

Packaging

Concrete and Granite Countertop Cleaner is sold in 946 mL (32 fl. oz.) bottles.

Storage

Store between 10 °C and 35 °C (50 °F and 95 °F). Protect from freezing. (If Concrete and Granite Countertop Cleaner does freeze, the liquid may become cloudy upon thawing. Its cleaning properties will not be affected.)

Keep out of the reach of children. Harmful if swallowed. Keep container tightly closed to avoid evaporation loss.

Properties

- **Appearance:** Clear liquid
- **Odor:** Fresh
- **Density:** 1.0 g/mL
- **pH:** 7.0–8.5

Directions

Spray directly onto countertop and wipe. Rinse with water to be sure all cleaner is removed from surface. Do not allow cleaner to stay on countertop for extended periods of time (i.e. hours).

Safety

Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. For additional information, please refer to the Product Safety Data Sheet (SDS).

Availability

Interstar products are available throughout Canada, the United States and Mexico. Please contact our Customer Service Department (1-800-567-1857) to place an order or to find a distributor in your area.

Technical Services

Interstar's technical staff and chemists are always available to offer their expert advice. Should you need technical assistance, please call 1-800-567-1857.

Warranty

The limit of liability of this company shall be the purchase price paid by the user or buyer for the quantity of the Interstar product involved. See Interstar's Warranty for complete details.
