

My SmartClean Canister Vacuum has no power | Support

- Unplug vacuum
 - Run hand along entire length of power cord, it should be smooth
 - Check plug for damage
 - If either the cord (not smooth or exposed wires) or plug (prongs) are damaged, please [Contact Us](#)
 - Check to see if outlet is working:
 -
 - Test this by plugging in a cell phone charger or small appliance
 - If no power to outlet, test a different outlet in a separate room
 - Reset circuit breaker if needed
- If machine still does not have power, please [Contact Us](#)
