Skipper Pendant Small

Ash - £165 Oak - £175 Walnut - £185

Undulating timber petals navigate over and around. Where simple, honest design meets our signature curves, the Skipper Lighting Range leads the charge.

Scandinavian design principles and our sought-after aesthetic, merged. Formed from sustainably sourced ash, oak or walnut wood, each Small Skipper Pendant is individually handcrafted by our skilled workshop team using a dry construction method to last over a lifetime. Casting light up and out from its intricate wooden silhouette, the Skipper produces bright light and bold, contrasting shadows. A bestseller for good reason.

Achieve impact with a lighter touch. Make a statement in your space.

The Skipper Pendant is also available in standard, large and as a floor light.
