

NO.1 PENDANT - TRIO CLUSTER

Product Specification

Tom Raffield

The No.1 Pendant - Trio Cluster marries form and function. Featuring three sculptural spheres of ash, oak or walnut wood handcrafted from sustainably sourced timber, this cluster ceiling light boasts an intense, captivating aesthetic and is sure to become a unique focal point in your space. Steam bent, hand twisted and assembled into a nest of infinite bends, each individual No.1 Pendant distributes a sculptural mix of light and shadow across your space, wherever you choose to position it.

Locate in a stairwell or hallway for maximum impact or simply suspend at a lower height in a lounge or over a kitchen island to create your very own masterpiece at home.

Our signature pendant lights, your way!
