

KEEL PENDANT – TRIO CLUSTER

Product Specification

Born in the barrel of a waking wave, the Comber Lighting Range is shaped by the reverberating tides that lap the Cornish coastline. Inspired by the power and grace of the Atlantic Ocean, our newest collection ebbs, flows and rolls into your home, bringing with it the motion of seasonal Cornish swells.

Taking inspiration from the natural, spiralling forms found along our Atlantic tide lines, the Keel Pendant Trio Cluster is a striking display of confident, modern design. With three pendants, each made from one isolated section, a wide piece of oak or walnut timber is arched by hand into a choreographed formation. Producing multiple funnels of diffused downlight, the tapered wooden lampshades will bring impact to your dining room, function to stairwells, and create drama over kitchen islands.

Step into the wave, invigorate your interiors.
