

# ARAME PENDANT SMALL - TRIO CLUSTER LARGE

## Product Specification

# Tom Raffield

Elemental, geometric, sequential. A trio of Small Arame Pendants pivot and descend from a single matte white or black ceiling kit to form a swooping spectacle. Switched on, each Arame Pendant produces an energising aura of soft ambient light. Switched off, the pendants become structural, architectural pieces of art that elevate your space and captivate any audience.

Available in a choice of ash or walnut wood and featuring two meters of high quality adjustable flex, the Arame Pendant Small - Trio Cluster Large can be modified to suit yours and your space's needs.

Our signature pendant lights, your way!
