

# My Family Tree

Can you create your own family tree?

What you will need:

- A print out of page 1, 2 and 3
- Scissors (adult helper needed)
- Glue
- Colouring pens/pencils

Instructions:

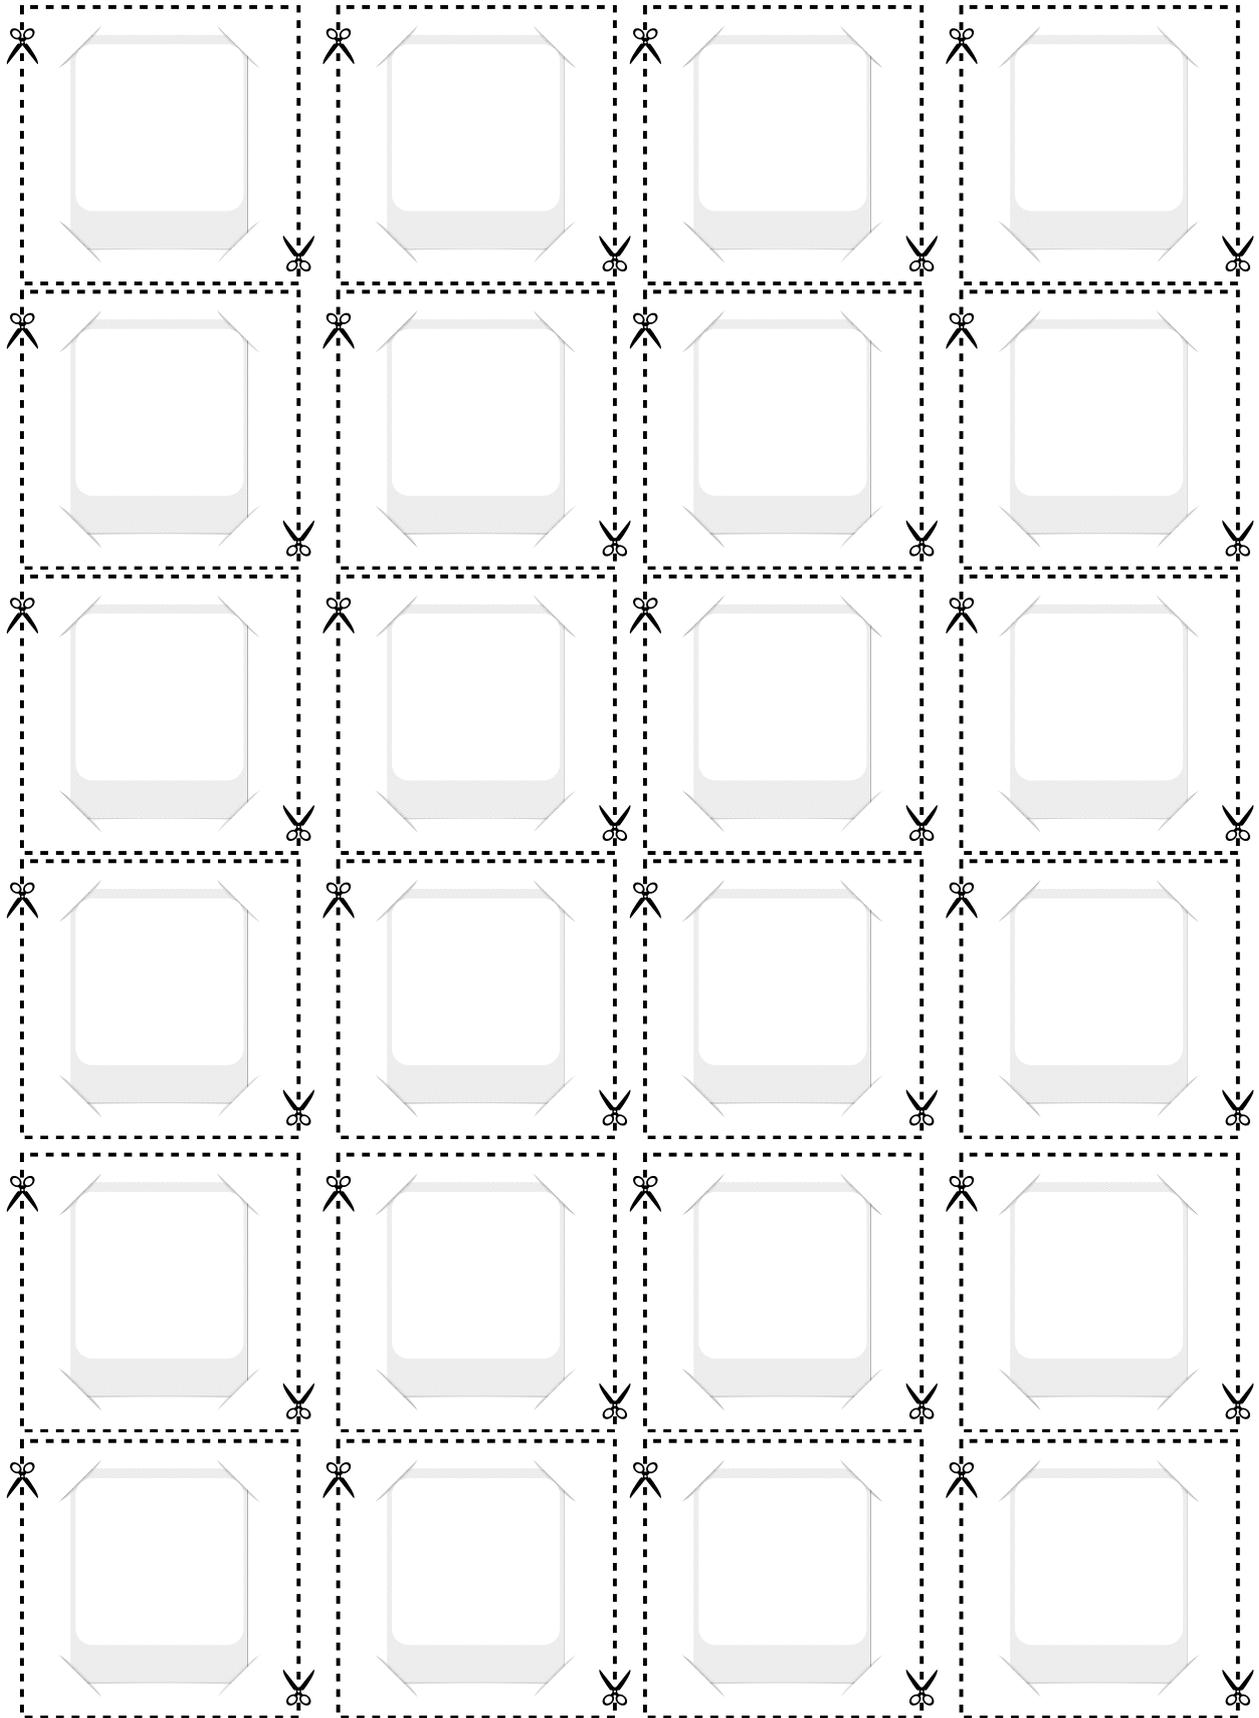

- 1) With your adult helper cut out the photo frames on page 1.
- 2) With your adult helper cut out the family member labels on page 2.
- 3) Draw your family members into one photo frame per family member.
- 4) On your tree print out, working from the bottom up, stick your family member photo frames in order from the oldest family members to the youngest.
- 5) Stick your family member labels below each family member's picture.

1

# My Family Tree

Print out as many as you need, with your adult helper cut out and draw your family member in the polaroid photo frames below.

2

# My Family Tree

Print as many as you need, with your adult helper cut out and use these labels to stick under each of your family members. We have given two blanks for you to add anyone we may have missed.
