PRODUCT FACT SHEET

## AAL 92

DESIGN BY HEE WELLING & HAY, 2012

The About A Lounge Chair has a compact body with shaped armrests combined with round wooden legs. In line with the rest of the series, the sculpted design has been kept simple, with nothing left to chance. It is available in a low-backed version with a more intimate expression or a high-backed version with an open, spacious composition. The high-backed About A Lounge Chair is designed to create a cohesive look with the matching About an Ottoman, but it also functions perfectly on its own. The wide choice of cushions, legs and upholsteries mean you can configure unique combinations that fit a variety of public and private contexts. Optional seat cushion mounted with velcro.
