## 140 cm / 55"

“With the Outline Sofa Series, we wanted to create a visually light and elegant design with lots of comfort, translating aspects of modern architecture into the design through juxtaposing elements. Outline is created with slim proportions for a simple and elegant look, complemented by its generous seat and slender legs. There’s a calm serenity about the Outline Sofa Series, having a soft and deep seat with clean lines and a strong architectural presence, brought forth by its overlapping forms that bring a refined touch to the expression of the design.”

### Description

The Outline Studio Series adds new perspectives to the classic Scandinavian design sofas of the 1960's, designed in slimmed-down proportions for smaller spaces such as apartments, hotel rooms, workplaces and more. With the design taking its name from its strong outline of a sofa, the Outline Series is clean and elegant on the outside with a deep seat and soft cushioning on its inside. The Outline Series has an expression that is at once elegant yet timeless, elevated by its lines referencing architectural shapes alongside its curved armrests, giving the design a distinct appearance across various sizes and variants.

### Material

Black powder coated or polished aluminum base with pre-mounted felt glides. Wood and steel construction. Cold foam filling. Fully upholstered with textile, imitation leather or leather. Leather from selected premium leather suppliers.

### Cleaning & Care

#### Upholstery:

##### Textile:

In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to [kvadrat.dk](http://kvadrat.dk) for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another.

##### Imitation Leather:

Clean with lukewarm PH-neutral soapy water and a soft cloth or soft brush. Do not use solvents or chemical cleaners, but cleaning can be done with alcohol-based cleaners. Finally, wipe with a damp cloth afterwards.

##### Leather:

As a natural material, leather requires looking after. If you care for the leather in the right way, it will become even more beautiful over time.

Refine Leather, Easy Leather and Endure Leather: Clean leather with a dry cloth regularly. Treat the leather at least four times a year using only special leather treatment products. Visit [ca-mo.com](http://ca-mo.com) for further information on cleaning leather.

##### Allure and Grace Leather:

Only vacuum clean with a soft brush. Never use soap or water otherwise the velvety look and feel will disappear. Do not apply leather grease or soak the leather. Avoid any chemical products, such as saddle soap, leather cleaners or household products.

##### Base:

Clean powder coated or polished aluminum surfaces with a lint-free cloth that has been wrung in lukewarm water. If necessary, use a mild detergent on the cloth. Wipe the surface with a dry lint-free cloth.

### Additional Information

A Power Outlet including USB and USB-C charger can be added to the Outline Sofa Series. The Power Outlet is available in an EU, US and UK version. Please note that Muuto does not offer installation of the Power Outlet into any Muuto products.
