The world's favourite face and body paint

Butterfly motifs are a favourite choice for little girls and are the perfect design for any celebration.

Using turquoise paint and a brush, outline a butterfly shape across the whole face using the nose as the body of the butterfly. Fill in using more turquoise paint.

Outline the design in pink, and then add the 'antennae' and swirls in each corner of the butterfly wings.

Put blue dots on either side of the swirls on the wings. To finish, add a touch of sparkle with some silver glitter gel dotted down the body of the butterfly and on the wings.
