The world's favourite face and body paint

Brighten up a rainy day with a masquerade party for your little princess!

Using Bright Pink paint and the brush, draw the shape of a mask around the eyes. Fill in using the sponge, fading the colour towards the bottom.

With Metallic Silver paint and the sponge, dab on the rest of the mask shape across the cheeks and nose, blending carefully into the Bright Pink paint.

Using White paint and the brush, draw on petal shapes around the edge of the whole design.
