

Every witch needs her cat,
especially at Halloween,
when there are spooks about!

Using a damp sponge, dab on Metallic Silver paint in the shape of a cat's head, with the ears extending up onto the forehead.

With Sparkle Lilac paint and the sponge, dab on some patches of colour on the cheeks, the end of the nose and in the centre of the cat's ears, blending carefully into the Silver paint.

Using Black paint and the brush, draw a "fluffy" outline around the whole cat face. Draw cobwebs between the ears and at the corner of the eyes. Paint in large nostrils, a centre line on the top lip, adding dots for whiskers. Paint the lips.
