The world's favourite face and body paint

It's nice to cuddle up to your favourite toy puppy . . . and sometimes it can be just as much fun to be one!

1

Using a damp sponge and White paint, apply a base coat to the whole face. Make sure the eyes are kept tightly shut.

2

With Black paint and the brush, draw on some patches: around one eye, on the chin, cheeks and forehead. Add an eyebrow over one eye. Paint the nose and mouth, and add whiskers.

3

Using Bright Red paint and the brush, draw on a small tongue hanging out of one corner of the mouth.
