The world's favourite face and body paint

Create this "Jack-o-Lantern" pumpkin face as a Halloween treat (or trick!).

Using a damp sponge and Orange paint, apply a base coat over the whole face, leaving a clear area in the top corner of the forehead.

With Dark Green paint and the brush, draw on the stem of the pumpkin in the clear area, adding wiggly lines as leaves.

Using Black paint and the brush, draw lines down the face to make the creases on the pumpkin skin.
