The world's favourite face and body paint

Become a snowflake and have some festive fun in a winter wonderland.

Using a damp sponge, dab on Sparkle Blue paint around the outer edge of the whole face.

With Metallic Silver paint and the sponge, paint the rest of the face, blending carefully into the Sparkle Blue paint.

Using White paint and the brush, draw on snowflake shapes on the forehead and cheeks. Add some dots of snow. For the finishing touch, add some sparkle by using Silver Glitter Gel.
