

VEVA SERIES

ETG-VFL200S

Power	Luminous Efficacy	Colour Temperature	Water/Dust Proof	Warranty
200W	130 lm/W	2000-7000K	IP67	7 Years

The Veva series floodlight is a heavy duty option for sports and area lighting projects, with the additional benefit of not attracting insects due to elimination of UV light. With the benefits of LED technology, there is no warm up time or flickering, reaching full output immediately when it is switched on. Rated IP67 for water and dust resistance, as well as a high impact polycarbonate optical lens, the Veva series provides exceptional performance, energy efficiency and durability in many harsh environments and applications.

Safe
No IR or UV Radiation.

Certified
SAA/C-tic (RCM), CE, RoHS

Save energy and cost
Reducing energy consumption by over 50% per unit.

Warranty
7 Year warranty

Flexibility
IP67 High Impact Polycarbonate Optical Lens provides exceptional performance and durability in many harsh environments and applications.

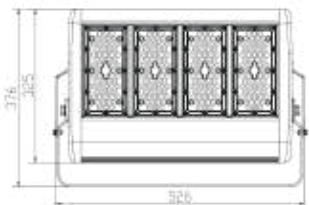

Suitable
Warehouses, Airports, Exhibition Centers, Toll Stations, Shopping Centers, Supermarkets, Stadiums, Subways, and other indoor & outdoor applications.

SPECIFICATION

MODEL NUMBER	ETG-VFL200S
Power	200W
IP Rating	IP67
Voltage	90-305 V/347-480 V - 50-60 Hz
Lm/W	130Lm/W
Operating Temperature	-30°C ~ +45°C
Material	Housing, Mount & Heat sink: Aluminum & Stent: High quality iron/stainless steel
Lumen (lm)	26,000lm
Beam Angle	30° 60° 90° 60x135° 85x135°
Dimension	526 x 376 x 91 mm
Color Temperature (CCT)	2000-7000 K (+/-300 K)
Light Source	Philips LUXEON 3030 LUMINOUS
LED Driver	Meanwell
Connection	Three core cable
Net Weight	8.6kg
Lifespan	More than 50000 Hrs
Warranty	7 Years

- Pay attention to the weight of the lamp body when mounted
- Suggest using M13 screws to fix

KEY BENEFITS

The Earthtrack LED Flood light range has been developed over the last 6 years, working closely with the production team to bring an energy saving lighting solution within your reach

Immediate start up to full light output with no flickering or warm up process.

With our global certification process, this product carries SAA/C-tick (RCM) CE, RoHS Certification ensuring compliance.

The Earthtrack 5 year flood light warranty is provide to ensure peace of mind and truly delivers your return on investment, whether utilizing these units in new installations or retrofit projects.
