

VEVA SERIES

ETG-VFL250S

Power	Luminous Efficacy	Colour Temperature	Water/Dust Proof	Warranty
250W	130 lm/W	2000-7000K	IP67	7 Years

Utilizing the Earthtrack Vega series LED Flood light provides many benefits in addition to the substantial costs savings achieved through our LED Products. Our Vega series lights tackle the usual challenges faced with providing a lighting solution, including the elimination of UV therefore insects will not be attracted to this light. There is neither warm up nor flickering on Vega series, the is immediate and reaches full output upon press on button. IP67 High Impact Polycarbonate optical lens provides exception-al performance and durability in many harsh environments and applications

Safe
No IR or UV Radiation.

Certified
SAA/C-tic(RCM), CE, RoHS

Save energy and cost
Reducing the energy consumption by over 50% per unit.

Warranty
7 Years warranty

Flexibility
IP67 High Impact Polycarbonate Optical Lens provides exceptional performance and durability in many harsh environments and applications

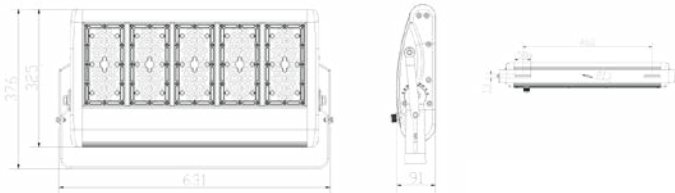

Suitable
Warehouse, Airports, Exhibition Centers, Toll Stations, Shopping Centers, Supermarkets, Stadiums, Subways, and other indoor & outdoor high ceiling applications.

SPECIFICATION

MODEL NUMBER	ETG-VFL250S
Power	250W
IP Rating	IP67
Voltage	90-305 V/347-480 V - 50-60 Hz
Lm/W	130Lm/W
Operating Temperature	-30°C ~ +45°C
Material	Housing, Mount & Heat sink: Aluminum & Stent: High quality iron/stainless steel
Lumen (lm)	26,000lm
Beam Angle	30° 60° 90° 60x135° 85x135°
Dimension	631 x 376 x 91 mm
Color Temperature (CCT)	2000-7000 K (+/-300 K)
Light Source	PHILIPS LUXEON 3030 LUMINOUS
LED Driver	Meanwell
Connection	Three core cable
Net Weight	10.2kg
Lifespan	More than 50000 Hrs
Warranty	7 Years

- Pay attention to the weight of the lamp body when mounted
- Suggest using M13 screws to fix

KEY BENEFITS

The Earthtrack LED Flood light range has been developed over the last 6 years, working closely with the production team to bring an energy saving lighting solution within your reach

Immediate start up to full light output with no flickering or warm up process.

With our global certification process, this product carries SAA/C-tick (RCM) CE, RoHS Certification ensuring compliance.

The Earthtrack 5 year flood light warranty is provide to ensure peace of mind and truly delivers your return on investment, whether utilizing these units in new installations or retrofit projects.
