care information

check smart™ for cuts & bruises. if your product is damaged in any way, or you're not sure how to use it, please consult our web support (www.philandteds.com/support). here you can get in touch with a local customer care team, made of real live people.

caring for smart™

unlike your children, your smart™ likes to stay clean.

- smart™ fabric can be sponge cleaned with warm water, using mild natural soap. do not use detergents or bleach on smart™.
- Improper care will void any warranties. do not use smart™ if deterioration is detected or suspected.

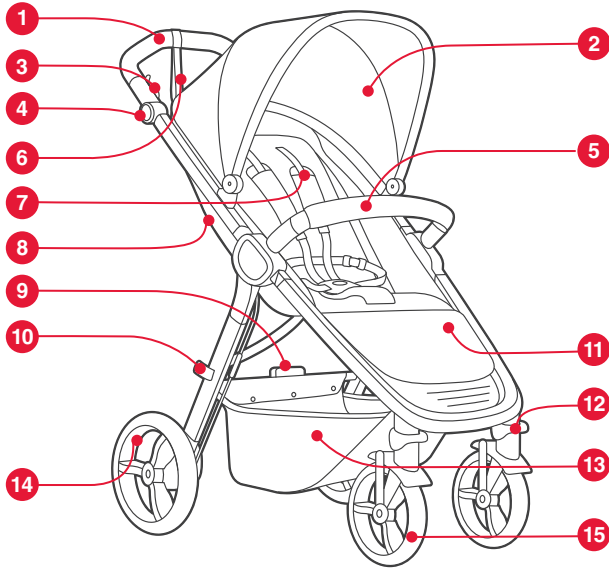

important information

aerotech tyres

- tyres are not under warranty, however smart™ uses aerotech tyres which are immune from punctures & eliminate the need for tube replacements.
- with use, the surface of the aerotech tyre can show signs of minor pitting – this is normal for this material, & does not affect performance of the product.

for more information on caring for your smart™, visit philandteds.com/support
