

LUNDY SHELF

Product Specification

Tom Raffield

Lundy Shelf

With origins rooted in the sculptural tree canopies surrounding our Cornish design studio, our new collection of steam bent, ash wood storage and accessories celebrates the strength, versatility and unique character of this sustainable natural material, whilst showcasing forward-thinking design at it's very best.

A contemporary and versatile addition to any space, the fluid form of the Lundy Shelf showcases our skilled craftsmanship and unique steam bending technique. Two curvaceous lengths of ash mimicking twisted leather straps, support a solid wood shelf with brushed brass details, creating an intuitive place to store books, plants and accessories.

Signature in style, timeless by nature.

Finish	Finished with a blend of natural wax oils to give a protective, hardwearing and beautiful finish.					
Care information	<ul style="list-style-type: none"> Finish: The blend of natural oils can take up to four weeks to harden fully. Because of this, particular care should be taken in the first few weeks after delivery before cleaning, see below. Care: Solid wood may expand and shrink with differences in temperature and humidity so take care not to place your furniture directly next to anywhere with excessive changes in temperature such as radiators and windows. Cleaning: To clean on a regular basis wipe the surface with a damp cloth before removing any moisture with a dry cloth. Wipe off anything that will stain straight away, eg red wine, balsamic vinegar, oil, tea, coffee, alcohol, etc. In the event of severe spillages and stains the surface can be lightly re-sanded and re-oiled - please talk to us or a professional furniture restorer before doing so.
